Dear Wildlife Supporter,

You are among the truly loyal friends of Freedom Center for Wildlife, Inc. whose generosity has meant so much to orphaned and injured wildlife. Maybe you've dropped off a sick or injured bird or squirrel. Maybe you've called and talked to us about how you can help wildlife. Maybe you've visited our website and requested more information. Whatever the reason, we know you care about wildlife just as much as we do, and we are asking you once again to open your hearts and checkbooks so that we can continue to care for the many creatures that need our help. _____

Please join us for this afternoon of fun. Your support will allow us to continue to provide food, medicine and care for the hundreds of orphaned, injured and displaced wildlife that caring people such as you call us about each year. To reserve your tickets call 856-366-4114. If you are unable to attend the party, you can still support us by making a donation.
